

Montana 2020

About Montana 2020: We will be working with Youthworks. From the Youthworks site: "Each summer, YouthWorks host a Kids Club program for the children in the Northern Cheyenne Reservation. Your group will participate in singing, helping with crafts and reading to the kids. We also partner with the community to do home-improvement projects, paint and do other yard work projects. In the evenings, your group will visit the Little Bighorn Battlefield and hear from a longtime community friend. As you partner with the community to host a cookout, you' ll fall in love with fry bread tacos. Through these experiences, you' ll learn about the strengths, struggles, heritage and history of the Cheyenne people. YouthWorks has partnered with this community since 1999."

When are you going? We leave at 8 am, July 24th, and will return in the evening of August 1st

Who is going with us? This is a Good Shepherd senior high school trip. If the summer of the trip will be your summer before high school, you are eligible to go. There may or may not be other youth groups there at the same time. Anyone is welcome to join us...friends, youth, someone you think may be interested...bring them along!

What does it cost? The cost of the mission trip is \$500. This includes everything except for fast food meals en route, and souvenirs. Starting in November, there will be several fundraisers throughout the year. Participants are expected to participate in fundraisers if schedule and time allows. The cost of the trip is already offset by fundraisers. Don' t worry...most of our fundraisers are pretty fun anyway. The full amount should be paid by June 1st. If for whatever reason this does not work for you, or you would like to set up a different payment schedule, talk to Cori. Scholarship money is available. We will do EVERYTHING in our power to make sure that you are able to go on this trip. If you will need a scholarship, talk to Cori AS SOON AS POSSIBLE. Scholarships requests are only discussed with adults on youth team.

How do I get signed up for this AWESOME trip? To sign up, you need to pay a non-refundable \$50 by November 1st., and sign the payment form. Please talk to Cori if this is an issue. YOUR SPOT IS NOT GUARANTEED UNTIL WE RECEIVE A DEPOSIT. As long as spots are available from youthworks, you can continue to sign up after that date. But we release our unused spots early November.

Are you looking for adult leaders? Yes. If you are interested, contact Cori ASAP. Please note that we usually have more adults interested than what we need, so we may need to decide who is going based on the list of people who are interested. We will decide this in a timely manner. Adults do not pay for their own trip.

Any other questions, contact Cori Woltmann @ yacminister@gmail.com, or call (507) 451-4125. Thanks!

2020 Mission Trip Payment Form

Must be turned in by November 1st with deposit to be guaranteed a spot.

I understand that the cost of the mission trip that I pay to Good Shepherd is \$500 (including deposit) by November 1st. By paying my **non-refundable deposit of \$50 by November 1st**, I am agreeing to pay the rest of what is owed to the church. If I end up not participating in the mission trip, I may not receive a refund, and will still need to pay for the trip.

Indicate scholarship need and request on a separate sheet of paper. (Scholarship requests need to be made by November 1st.)
