

KIDS GROW Sunday School 2021-2022

Sunday School has a NEW LOOK this year!

We are excited to **GROW** in the knowledge of and love for God and each other this year! We want to support and encourage dynamic faith growth together and at home.

Our **BIG GROW GOAL** this year is to encourage families to worship together! Worship is such an important part of our relationship with God. Worshipping together as a family will strengthen your family's relationship with God. To encourage this big goal, instead of families separating at the beginning of worship/Sunday school, we will stay together at the beginning of the service to praise, confess, hear scripture and a children's message together. After the children's message, kids ages 3-6th grade will be excused to go out with small group leaders and head downstairs for large and small group time together while the adults remain upstairs for the rest of the service. Parents are encouraged to enjoy fellowship time after the service for about 10 minutes before going downstairs to pick up their children from their small group classroom at 11:10am.
