FREQUENTLY ASKED QUESTIONS: SUNDAY SERVICE **TIME CHANGES**

What's the problem?

We're seeing over 400 people on Sunday mornings, and the parking lot is getting crowded. Plus, we don't have enough time between services for a Bible Class.

What's the solution?

Starting Sunday, September 13:

The 8:30AM Hymn Service will move to **8:15AM**.
The 10:00AM Worship Service will move to **10:15AM**.

Why is this the best solution?

Moving each Sunday service by 15 minutes works the best for our staff and volunteers, is fair to each service, and is easy to remember.

Are we happy about this?

We're excited about this change, it's a great sign that our church is growing and active!

Is my service style changing?

No, the services will keep the same worship styles, with Sunday School at each service: **8:15AM with Hymns** and **10:15AM with Modern Worship Music**. Only the start time is changing.
